September 2026

Dear Parent/Carer

Mrs Wilkes and I will be running the After School Forces Club for children with parents in the military. The group will be held every Thursday 3.20pm – 4.20pm, with our first session beginning on Thursday 17th September. Due to our high number of service families, we can only guarantee a place for one term, either Autumn, Spring or Summer, however if numbers are low we will allocate further places as we can.

During this club, children take part in a variety of arts and crafts, games and cooking in the Autumn and Spring terms then use the sports equipment outside during the Summer term.

**Please tick below which term you would prefer your child to attend.**
**(If you don't have a preference, you may tick more than one)**

In addition to Forces Club, service children can also access home school link worker support whenever they are struggling e.g during a parent's deployment, family changes, moving house etc. Please speak to your child's class teacher if you feel your child would benefit from additional emotional support in school.

Yours sincerely

Mrs E Furber
