Dear Parents

Acceptable Internet Use

The school has a connection to the Internet. The Internet provides a number of important and valuable contributions to make, which should enhance learning and understanding in all of the school curriculum areas. We believe that the use of the Word Wide Web and e-mail is worthwhile and is an essential skill for children as they grow up in a modern world.

As a result of the open nature of the Internet, there is some material that is unsuitable for viewing by children. Therefore, we have introduced procedures that should enable your child to use the Internet facilities safely and securely. **Please would you read the attached rules for responsible Internet use, sign and return the consent form so that your child may use Internet at school.**
